Description

A gents boxed 1950s Avia wrist watch. The watch has a 15-jewel hand-winding movement which is working nicely. The watch measures 28mm wide excluding the winding crown and 28mm high excluding the lugs. The case is 9 carat gold and is hallmarked inside the case back for Edinburgh 1952. The case is in good condition and the shaped lugs are a particularly handsome feature. The back of the watch has a retirement inscription from the Dewsbury County Borough Police, 1955. The lens has a mark but it seems to be within the lens, so a manufacturing flaw. The signed dial is in good condition with just a light freckling. Original hands, centre seconds and outer minute markers. A new leather strap has been fitted. The watch comes in a vintage presentation box from a Dewsbury jeweller, and also the original Avia guarantee. Free worldwide shipping
