Description

A 1930s Limit No 2 pocket watch and chain. The watch has a signed stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and is in good condition for its age, just some slight unevenness to the back and some light surface marking, but nothing serious at all. The glass is in good condition. The signed dial has a short hairline between 4 and 5 but it is faint. Blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a nickel double albert. The watch and chain will be sent in a new presentation box. Free worldwide shipping
