Description

Fine quality antique mahogany partners desk with the original tooled leather writing surface & two pull out slides also with the same tooled leather. It's a great looking piece & a good sized desk with drawers on both back & front. The drawers have the original brass handles & they all lock with the aid of a central locking system. When the central drawers are locked, then all the rest lock at the same time. This desk is identical looking on both sides. It has curved edges, a generous sized knee hole & sits on plinth bases with bun feet. Partners desks of this quality & size are very hard to find. This desk is a really nice example & is in excellent condition having just been French polished. I would date it to around the 1890's period. It's a heavy well made desk & comes apart into three sections for easier transportation. Width – 63 inches, 160 cm Depth – 47 inches, 120 cm Height – 30 inches, 77 cm Knee height – 24 inches, 62 cm Knee width – 27 inches, 69 cm
