Description

This lovely original late c19th French painted demi lune console table with carved garlands and marble top is in pretty much original and un touched condition, circa 1880. Fabulous colour to the old French pale grey paint which has aged and as you can see, there are chips to some areas - these can be left as they are or could be restored, but I have priced is as it stands. Great carving throughout and a very decorative piece at a good size too. The marble top is lovely, but if you would rather a plain top, the marble can be slid off and there is a painted surface there. Photos to show you. An unusual piece to find these days, especially in such original condition Measuring: 34" or 86cm high 39 1/2" or 100cm wide 20" or 51cm depth Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
