Description

Very long antique Victorian solid oak bench in lovely original condition. There are various marks, knocks, indentations & distressing all over this piece, which only adds to the overall character. It's structurally sound & is very well made. The legs are nicely turned too. It's quite rare to find this type of bench that's original & not made up. I would date it to around the 1850-60's period. Width – 82 inches, 209 cm Depth – 17 inches, 42 cm Height – 18 inches, 46 cm
