Description

Delightful 1930's table lighter depicting a young lady. She's made from spelter and cold painted on top. Quite a weighty little item considering it's size. There is a dauber to the back and a recess resting area, not completely sure how it works but just as a figure she's very attractive. The whole rests on a marble base. Condition is Good with some rubbing to the finish, nothing unsightly as you can see from the pictures.
