Description

This lovely cabinet is in a good tidy condition with its original cabinet furniture. If you are an Art Nouveau fan this may well be for you, it has the original velvet lining and all the inlays in place. The classic detailing in the glass so typical of the era. It is a great size too, not too big so it will fit into most homes, but not too small so you can at least get items you wish to display into it. It would also make a great bookcase. The arch shaped doors also boast an operational lock for which we have the key. Very sensible price, we cannot find such a classic item at a similar price. Delivery can be arranged to most areas between £60 / 70 with experienced carrier.
