Description

This is a super rare Art Deco bakelite travel alarm clock by JAZ a French clock maker. It's in perfect condition, quite literally we can't find any flaws to mention. Wonderfully stylish streamline design to the bakelite casing, which is in black and burgundy bakelite. We've tried to demonstrate how the case opens out in the pictures. The clock is in perfect working order as is the alarm, we've had it fully serviced. An Ideal clock for bakelite collectors, streamline collectors or just someone who has great taste and would appreciate a travel alarm clock.
