Description

A very large double pine wardrobe dating from around c.1880, in very nice condition for its age. Recently stripped of its original paint, it is now exposing a lovely clean and tidy bare wood. As with most of our large wardrobes, this one totally dismantles for delivery and access. The original latch, lock and key are all in very good working order. The hanging space (internal depth) is 21", so nice and deep for larger coat hangers. Price includes fitting of a new brass hanging rail. Height 80", width 68.5", depth 24.5", internal depth 21"
