Description

An impressive French antique pine double wardrobe, which is larger than average but yet so elegant because of its height, which is typical of French wardrobes of this time. Dating from the turn of the century, (c.1900), it is in excellent condition for its age. A fine example, with its very attractive, original, brass external door hinges and working lock and key. As with most of our larger wardrobes, this one totally dismantles for delivery. It has recently been stripped to the bare wood, ready for waxing or painting. If you'd like us to paint it for you then please contact us for a quote for this service. Wax polishing of the wardrobe, and fitting of a new brass hanging rail is included in the price - £997 Height 81", width 66.5", depth 24", internal depth 20.5"
