Description

This antique painted wrought iron plant stand has fabulous floral decoration all over & is still in good original condition. The painting too is all original & hasn't been touched up. It was very dirty when we picked it up & when we cleaned it all the colours came out again. This stand is a very decorative piece & obviously useful too. I've never seen anything like it before. It's also very difficult to date exactly, but I would say it dates from around the 1910-20's period. The floral decoration is mainly of flowers & leaves. I've had a very good look at this & I can't see any of them missing. Width - 18 inches, 46 cm Depth - 18 inches, 46 cm Height - 40 inches, 102 cm
