Description

An elegant two-seater Salon Settee with upholstered seat dating from around 1900. It is made of mahogany with an intricately carved back, shaped arms and cabriole legs. It is in excellent condition throughout and the seat has been recently re-covered with good quality classic style fabric to compliment the settee. It is strong and sturdy with no major damages. There are some signs of age and use and minor marks on the wood but nothing untoward for a piece of this age. It has been cleaned and given a light wax and is ready for the home.
