Description

Fine Quality William IV mahogany four door wardrobe circa 1830. The wardrobe is very large with two hanging sections that have an internal depth of 21 inches. The left section has been lined and has two hanging rails fitted one at the top and the other under the shelf. The centre section has three large drawers that open nice and smooth as they should and the cupboard above has 4 slide out linen trays that can be removed to create more hanging space if required. The right hand section has a single hanging with fitted shoe storage to the base. The wardrobe has a wonderful grain and a very impressive appearance. It is in great condition considering its great age with some shrinkage to the top of the doors, that is not detrimental to a piece of this age. It just adds character to this fine genuine antique. We can arrange delivery through the UK for £90. Please enquire for worldwide shipping cost.
