Description

A lovely antique cupboard in its original painted finish with shelved interior. The cupboard is made of pine and has been painted in a pale grained effect which has crackled and faded over time. The interior has a single shelf and has been later painted in a pale blue. A good small size to be wall mounted, used on a tabletop or even on the floor as maybe a TV stand. It is in good original condition. The hinges are in good order. There are signs of age and use and a small split on the top but no major damages and the whole piece is generally strong and sturdy. It has been cleaned and given a light coat of wax and is ready for the home. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
