Description

Vintage 1928 Waltham Traveler full hunter pocket watch. The watch has a stem-winding movement which is working nicely. The movement is fully signed and the serial number 26476532 which dates it back to 1928. The movement is protected by an inner hinged cover. The watch itself measures 50.7mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking from use and light wear to the edge of the back but overall it is in nice condition for a 1920s watch. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial has a very faint hairline crack to the bottom of the sub seconds dial but overall it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
