Description

Attractive mallet form Bristol blue glass decanter with gilded spirit label for Brandy and original stopper with matching decoration. It measures 13.5cm (9 1/4") high and 9cm (3 1/2") wide. Condition is good but there have been some slither chips to the edge of the top of the stopper, one small on one side, a large slither chip to the other side and a further nibble. None detract from the overall shape and the bottom of the stopper is fine. No damage or repair to the bottle, just a little wear to the gilding.
