Date of manufacture: Victorian

Dimensions

Height = 137 cm (53.9")

Width = 53 cm (20.9")

Depth = 35 cm (13.8")

Description

A pretty burr walnut whatnot stand from the reign of Queen Victoria. This has an inlay on each tier and a mirror on the top with nice detailed carving to each side. The top shelf also has a carved detail at the back. The pillars between each tier have a good turning with a barley twist type influence. A good looking item in original and tidy condition from a local house. An item that is superb to show off a collection perhaps. sorry now reserved
