Description

Interesting late C19th 'Black Forest' carved linden wood table with naturalistically carved base. Circular topped occasional or lamp table with naturalistic carved tree trunk column on to a carved floral and foliage carved base with a carved edge and triple scroll feet. The top with a burr grain and minor cracklature to the original patina. The base in excellent original condition retaining its original polish and patination. Smart eccentric table produced in Switzerland or Southern Germany probably for the tourist market. The generic term 'Black Forest' refers to this genre of carved linden ware.
