Description

Antique mahogany campaign style drum table with an octagonal top inset with the original tooled leather which has aged really well & shows plenty of character. The top has a brass top rim, inset brass military handles on the drawers & more brass applications on the bottom edge. There are 4 real drawers & four dummy drawers. The top section rotates & sits on tripod legs that have brass inlays with brass capped casters on the feet. This table is a top quality item, in excellent condition & I would date it to around the 1910 period. The brass work is also naturally aged. Width – 36 inches, 92 cm Depth – 34 inches, 89 cm Height – 30 inches, 75 cm
