Description

An elegant art deco period silver tea service presented in beautiful condition, bearing hallmarks for London 1923 with prestigious maker's name & address to the base of each piece: The Goldsmiths & Silversmiths Company Ltd. 112 Regent Street W. Of circular form with classical styling and subtle pattern work typical of the period, this 3-piece tea set appears to have had little use. The teapot has a walnut Bakelite handle and matching lid pull, with attractive fluted spout. The twin handle sugar bowl is of a generous proportion and would accommodate sugar tongs or serving spoon. The milk or cream jug is elegantly fashioned with a fluted spout.
