Description

An impressive sized photograph frame standing 13 1/2" tall, sure to the centrepiece within a group of frames. The attractively shaped frame incorporates an embossed or repousse fluted design, a central large Fleur de Lys at the bottom and a framed cartouche to the top retaining the original feint regal monogram. The backing is made from solid English oak and incorporates a strong hinged easel back stand. The silver is fully hallmarked for the highly collectible Chester assay office and the year 1903, early Edwardian in era. This example is also lucky enough to have an English design registration number (339949) which dates this design to 1899. Grand in scale measuring 13 1/2" tall x 11" with a glazed aperture measuring 9 3/4" x 8". Item ID: 40177 FREE Worldwide Registered Airmail Directly From London, England
