Description

This antique Queen Anne style walnut cocktail drinks cabinet is very fine quality & in good original condition. It has a lovely mellow colour & is beautifully carved on the top, plus around the legs, which have claw & ball feet. The four doors have carved corner burl walnut panels & very decorative etched brass escutcheons. The sides of this cabinet are figured walnut & it has canted corners. The inside top section is beautiful & very practicable. It's sycamore lined, with a mirrored back & bottom. There is also a light fitting inside, which would probably need re-wiring. There is also a pull out slide inset with a mirror which is meant for serving drinks on. I believe the bottom cupboard was meant for storing bottles in. This drinks cabinet is one of the nicest I've come across & dates to around the 1920's period. Width – 37 inches, 94 cm Depth – 22 inches, 56 cm Height – 65 inches, 166 cm
