Description

A beautiful oak office chair dating from the early 20th Century. It is a good comfortable chair and very well made. It has a lovely shape with a curved arms and turned spindles. It has four shaped legs and the chair swivels around on its base. It is approximately 33" (84cm) high and the arms are 20" (51cm) wide across. The seat is 18" (46cm) deep. It is in good condition for its age. It has developed a lovely aged patina and is structurally very sound. It is not without a few small marks here and there and some old minor splits but nothing untoward or detrimental for a chair of this age. The mechanism for swivelling is in good solid working order. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton.
