Description

Impressively large 1930's Art Deco spelter figure, unsigned and of high quality. One can be distracted away from the sheer size of this figure, standing a huge 33 cm in height she makes a real statement. She stands on a stepped Marble/ Onyx base which is wonderful aged colouring, varying between peach and green with white veins running through. There is no damage to note, just normal signs of age as one would expect.
