Description

This surely has to be the 'daddy' of all Bakelite lamps and for those who love the streamline design as I do, well this fills all criteria's. If you haven't handled one of these lamps before you'll be surprised by two things, the weight, definitely two hands to lift it and the size, when closed it's close to a good sized roast chicken! The colouring can only be best described as milk chocolate and as you can see from the pictures also looks good enough to eat. It's marked underneath made in France and Jumo Brevete. This lamp definitely exudes quality in every aspect. Base dimension: 26 x 19 cm. Height closed 14 cm. Height Open: 41 cm
