Description

For your consideration are these matching pair of French Art Deco table lamps both dating to the 1930's. For anyone who has searched trying to find any period items in matching pairs will know it's quite a feat and more so for these being in such good condition. Set on solid marble bases each lamp has two chrome arms which support an amber frosted glass shade. These lamps would be ideal for a dining setting or perhaps as bedroom lamps. Condition is very good with minimal signs of their true age, just some minor tarnishing to the lamp holders. No damage.
