Description

A very nice continental porcelain figurine in Chelsea style with a flower seller sitting on a scrolling Rococo base. Gold anchor mark at the back indicating French artist Edme Samson. I bought this figurine around 8 years ago from Newark antique fair, the dealer dated as 1900 to 1910, though I personally thought it to be a little later. Measurements (all approx) - Height : 8.5 inch / 22 cm Width: 4.75 inch / 12 cm Condition - Excellent display condition. The lady's little finger and a flower petal have old repairs, and there are some foliage loss as you would expect but none distracting- please see the last 5 photos. Please study photos - they form part of description and can all be super - sized for your close inspection. They are from my personal collection of over 10 years
