## Description

A very nice pair of Edme Samson in the Chelsea style figurine of 2 street sellers - each has a basket and standing on a scrolling Rococo base with foliage and flowers. Gold anchor mark can be seen on the back of each figurine. Measurements (all approx) - Height : 5.5 inch / 14 cm Width: 4 1/4 inch / 11 cm Condition - Excellent. There is no repair that I can see, main thing to mention is the girl's right hand above the basket lid - 4 fingers are broken in half - please see photos. There are some foliage loss near the gentleman's feet - please see photo 6. Some other minor losses to foliage. Overall non-distracting and commensurate with age. Please study photos - they form part of description and can all be super-sized for your close inspection. They are from my personal collection of over 10 years.
