Description

Stunning early 19th century Regency burr oak, solid oak and ebony drop flap centre table. Great Regency design with solid oak base with lyre type ends with brass rods and sympathetic carved decoration. The base has the original small brass castors to the feet. The table has a drawer in one end and a dummy drawer in the other. The drawer has its original brass lock and key and the original blue lining paper to the bottom. The top is veneered in stunningly beautiful burr oak veneers. The table is in good condition and is the most gorgeous colour with original patination. There are a couple of minor hairlines to the top but that is being super critical. SIZE; 35" wide by 26 1/2" deep by 28" high when fully open. 18" wide with the leaves down. CIRCA; 1810 - 1820
