Description

Antique 1911 Waltham Traveler full hunter pocket watch. The watch has a stem-winding movement which is working nicely. The movement is fully signed and the serial number 18165198 which dates it back to 1911. The movement is protected by an inner hinged cover. The watch itself measures 50.4mm diameter excluding the winding stem and the loop. The case is gold filled and is the Royal model made by Bates & Bacon Watch Case Company. The case has light surface marking from use and the odd small "ding" to the outer edge but overall it is in nice condition for a 1910s watch. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in nice condition. The signed dial has the odd faint surface mark but overall it is in nice condition. The watch has its original gold hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
