Description

Antique 1920s silver Omnium pocket watch. The watch has a nice quality pin set stem-winding movement which is working well. The movement is signed Omnium, Non magnetic, Swiss. The movement is protected by an inner cover. The watch measures 50 mm diameter excluding the stem and the loop. The case is Swiss .935 silver and has continental silver marks. The case has light surface marking from use and some small "dings" to the back and edge but overall is in nice condition for a 1920s piece. The inside of the inner cover has initials scratch on it. Possibly a previous owner. The acrylic lens is in nice condition. The white dial is in nice condition. The watch has its original gold hands. The watch will come in a new presentation box. Price includes worldwide postage.
