Description

Nineteenth century marine barometer supplied by Gowland & Son, Liverpool; the brass-mounted carved and burr walnut case with a two-part ivory register and adjustable vernier; with a modern brass gimbal bracket. In good condition and in working order. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November. Open 9.00am – 5.00pm, Tuesday to Friday, 10.00am – 4.00pm on Saturday. A prior phone call or email before visiting is always a good idea and we are happy to be contacted outside of business hours.
