Width = 8 cm (3.1")

Depth = 10 cm (3.9")

Description

For your consideration is this very stylish pair of Art Deco bookends depicting two Antelope climbing on a wall of black marble. Originating from France, on handling these you get a real sense of quality. The green verdigris styled patination compliments the jet black marble. These bookends are a nice size for modern day use. Condition is very good with just the minimal signs of ageing as one would expect for 80 plus years.
