Dimensions

Height = 37 cm (14.6")

Width = 53 cm (20.9")

Depth = 1 cm (0.4")

Description

Stunning Large engraving by James Basire of the Antiquities of Athens. The Choregic monument of Lysicrates is one of the earliest in Greece to use the Corinthian architectural order. The frieze running around the top of the monument show Dionysos and his satyrs attacking some pirates who had kidnapped him. The defeated pirates jumped overboard and turned into dolphins. Please look at my other items as I do have others for sale. FREE shipping Many thanks Karen 07866 475069
