Description

Antique gilt metal side table with a marble top & some really nice decoration. It's very classical in style & I would date it to around the 1890-1910 period. The tripod base is very well cast & there is a fluted upright above which supports the top. I particularly like the pierced metal work around the top, with the hanging chains. Width - 13 inches, 33 cm Depth - 13 inches, 33 cm Height - 24 inches, 60 cm
