Description

Pair of large antique Victorian spelter figures of two women with musical instruments that look to me like lutes. They are in excellent condition & have a nice patina, with well defined castings. I would date them to around the 1860-80's period. There are plenty of fine details, so please enlarge all the images to see everything. Width - 7 inches, 16 cm Depth - 6 inches, 14 cm Height - 19 inches, 49 cm
