## Description

I have never seen anything quite like this before, a beautifully cast dinner bell to be used either in its stand or hand-rung once removed from the stand. Beautifully engineered, the stand and handle are made from a traditional brass and the bell a rose-coloured bell metal. The bell has all been hand-chased creating a decorative finish. The ring is glorious, a lovely tone and very authoritative. Excellent condition and quality dating to around 1860, Victorian in era. 8 3/4" x 8 3/4" (stand foot to foot) x 13 3/4" tall.
