## Description

A vintage 1930s Consol full hunter pocket watch. The watch has a Swiss hand-winding movement which is working well. The movement is stamped Consol, 7 jewels, Swiss made. The movement is protected by an inner hinged cover. The watch measures 50.7mm diameter excluding the winding stem and the loop. The case is gold plated and has minor wear to the edges although hardly noticeable to the naked eye, but overall it is in nice condition. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in good condition. The white dial is signed The Consol. The dial has faint hairline cracks between 10 & 12 o'clock but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage
