Description

Pair of antique Swedish leather armchairs in great original condition with satin birch legs. The brown leather is naturally aged with lots of character & there are no rips, splits or holes. The inside backs are ribbed & deep buttoned. They are also hand sprung & extremely comfortable. These armchairs are a great size, not too large or small. There is also hand tacking under the outside of the arms, running up around the top of the backs. I would date them to around the 1920's period. Width – 29 inches, 74 cm Depth – 29 inches, 74 cm Height – 28 inches, 72 cm Seat height – 16 inches, 41 cm
