Description

Very attractive 1930's Art Deco bakelite clock with a very distinctive Odean streamline shape. Originating from France this wonderful clock is the epitome of Art Deco with its fabulous shaped case. Condition is excellent, aside the bezel which does show signs of age with some pitting and unevenness around the top corner of the chrome - we've reflected this in the pricing. The bakelite however is excellent and free from any damage or discolouration. As with all our clocks we have has this beauty fully serviced so comes to you in good working order.
