Width = 58 cm (22.8")

Depth = 11 cm (4.3")

## Description

This is an antique pier mirror. A Regency, giltwood wall mirror dating to the early 19th century, circa 1820. Attractive mellow golden tones in the giltwood frame. A refined mirror, mid-sized with a good finish and desirable aged patina. Superb proportions in classical form. Twin Greco influenced columns with leaf cup mounts flank the later mirror plate. Rising to the shaped pediment with beaded breakfront upper frieze. Horizontal column and fluting decorate the frieze panel. A very nice example that would look fantastic over a console table. Supplied with fixings ready to hang. Dimensions: Max Width: 58cm (22.75") Max Height: 87cm (34.25") Max Depth: 11cm (4.25") We offer a 100% satisfaction guarantee with all of our antiques.
