## Description

A stunning quality large Late Victorian Period mahogany and satinwood cylinder desk. The upper section with a raised bank of four fiddleback mahogany drawers, each having a cast brass swan neck handle, above the expansive cylinder front which has a central satinwood diamond shaped inlaid panel and opens to reveal a wonderful fitted interior, comprising of letter racks, pigeon holes, open drawers and filing drawers. The lower section with an arrangement of nine fiddleback mahogany drawers again with cast brass handles, reeded pilasters and carved shell paterae. The inside of the kneehole and the ends of the desk are also in stunning quality solid mahogany with satinwood banded detail, the whole supported on a solid mahogany plinth with concealed castors. The quality of this desk cannot be explained, the use of the finest mahogany throughout and the finely cut dovetails in each drawer is a sign of the finest Late Victorian craftsmanship. The desk is stamped in numerous places and has two labels with the cabinet makers name "Flashmans Of Dover". English 1890-1900 Dimensions: 60" wide x 36" deep x 56" high (knee hole 24" high x 26" wide). It was in the autumn of 1830 that G
