## Description

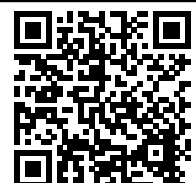

A most unusual and really charming money bank or box beautifully hand-carved in the form of a Bear in the Black Forest region. The box comes complete with the original little "lock" which pulls open (it doesn't actually lock and never was meant to) and remains in full working order. The bear retains his two original glass eyes. The money is popped into his mouth and tided to drop down into the lower portion of the box. Beautifully executed and in excellent condition measuring 4" x 3 1/2" x 7 1/2" tall. Item ID: 40567 FREE Worldwide Registered Airmail Directly From London, England
