Description

Antique Waltham stem winding pocket watch. The watch has a 13 jewel stem-winding movement which is working well. The movement is fully signed and the serial number 7525728 which dates it back between November 1897 & April 1902. This particular movement was only made in a small Quantity of 7350 in total. The movement is protected by an inner hinged cover. The watch measures 50.5mm diameter excluding the winding crown and the loop. The case is gold filled and was made by Fahys Watch Case Company. The watch also has its original guarantee paper. The case is in good condition with just light surface marks, nothing serious at all. The watch lens is glass and is in nice condition with only minor marking from use. The signed dial is in very nice condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box. Price includes worldwide postage
