Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a solid 18ct case surrounded by a row of diamonds and then more diamonds to the lugs, there is beautiful delicate chasing around the sides of the case which highlights the quality of the workmanship. The original dial is just perfect and it has steel peacock blue hands, it is attached to a polished stainless steel bracelet. As you would expect from Vertex the diamonds are bright, crisp and evenly matched. It is quite stunning with a white dial which is in perfect condition. A new glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It is fully hallmarked as 18ct on the case. As you would expect from Vertex the watch is fully marked on the dial and movement. Vertex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch head measures 19mm in diameter ...
