Description

This open fronted bookcase from the early 1900s is in good tidy condition. A few scuffs and marks over the years but overall better than one might have expected for an item of this age in pretty much original condition. We have given it a clean and it is now ready to go into service in its new home. The three shelves are adjustable so lots of flexibility. It is quite a nice quality one this as it has an oak back, not just soft wood as some are and it sits on shaped bracket feet. The top and the sides are tidy and presentable. All in all a tidy item and not expensive at all at £365.00. Give us a call if you would like to discuss 01565 874075. We can arrange delivery to most parts for between £60 and £70 or it can be collected from Knutsford. Local deliveries in our own vehicle are totally free within a 20 mile radius for our showroom.
