Description

A fine example of an oval Sterling Silver box. It is superb quality with scrolling detail around the lid and base. The hinged lid is adorned with a pearl cabochon in a silver mount. The box opens to reveal a silver gilt interior inscribed 12th December 1906. It is fully hallmarked for Cohen & Charles, Chester, 1908. It is in excellent condition with a clear hallmark. There are no major damages and it displays beautifully. There are some faint surface marks and very minor dings and a few light scratches on the bottom but nothing detrimental. It has been lightly cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £6.
