Description

Another fine example of these ever popular wall clocks by the World renowned maker GUSTAV BECKER. A beautiful walnut case retaining it's original French-polished finish giving a gorgeous, age related patina that only time can produce. Interestingly, the clock retains it's original eagle emblem to the top of the case which is unusual because most of these were replaced by horses during the first World War due to the eagles association with Germany. The 8" two piece dial has black Roman numerals with interspaced Fleur-di-lis markings, lovely cut hands, and a subsidiary seconds dial. The 8 day movement has just been fully overhauled by our BHI registered staff. It is clearly signed on the back with the "GB" emblem. Full 12mths parts and labour guarantee. A gem of a clock. All cards accepted.
