Item Reference: SA573515

Date of manufacture: 1950

Description

The watch has a 17-jewel hand-winding movement, made in England, which is working nicely. The watch measures 31.5mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Edinburgh 1951 together with a maker's mark for the British Watch Case Company. The front and sides of the case are in good condition while the back has a "ding" and some unevenness. The lens is in good condition. The signed dial is in lovely condition and has original hands, centre seconds with red pointer end and inner minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
