Description

Mounted on the original stippled and gilded wood backing, this lovely Art Deco mirror has the original makers label for "Atsonfa" - an English mirror manufacturer during the 1930's. It is in amazing original condition. We usually point out that if you want a Deco mirror with no blemishes it's best to buy a new reproduction one ~ however, this one breaks the rule. For an original mirror, the condition is the best we've seen. Outer rose tinted bevelled glass border, with washed gilded carved wood detailing, it really does look stunning. Superb quality, too. Would look wonderful in any contemporary or Deco setting. Fantastic original mirror to authentically reflect the Art Deco period.
